4. [MassHealth Dental Provider FAQs](#) - Helpful answers to address common questions and concerns, offering quick guidance and clarity on important topics. Please bookmark the Provider FAQ page as new questions and updates are reflected here for your convenience.
 - If you haven't checked recently, two new FAQs were added in late December.
5. [Benefit Determination Letter Distinctions](#) - Please note the important distinctions in benefit determination letters:
 - PA letters will not show service dates next to service line detail.
 - Claim, or EOB letters will show service dates in the first column of each claim line in the detail on the back of the letter. Claims letters are followed by remit letters which are currently being sent by MassHealth.

Receiving a letter with a service date means that the procedure line was processed as a claim and not a PA request.
